

## SUMMARY

### FINALIST PROJECT FROM **NON-FORMAL** EDUCATION (ORGANIZATIONS FOR REGIONAL SERVICE-LEARNING AWARD 2025

Dear evaluator,

You are preparing this summary for the Jury of the Regional Service-Learning Award. As you answer the questions below, please ensure that the **project's country of origin or any specific information is not disclosed in the project description**. Instead, use the project/project's code or just generic term (e.g. student, citizen, town X). Ensure that your responses are in English and do not exceed three pages in length. Make sure you are describing the project/project for someone that has no idea what the project is about. Also, add quantitative data, where appropriate, like, number of youth/youth leaders engaged, number of community population or business engaged, if possible to get it from the application. Make sure that you answer all the questions per each category.
